Thanksgiving season.

EVERYONE IS A WINNER

On October 17, K.S.B. students and staff gathered on the track behind the Langan Gym to enjoy an afternoon of track and field events. Seventy-six students from Deaf/Blind, Primary, Elementary and Junior high classes participated in the Junior Olympics which were planned by Ricky Ricks, Cathy Johnson and Liz Maguira. The purpose of the Jr. Olympics is to promote good sportsmanship, to further interest in varsity sports and to allow students the opportunity to experience track and field competition. Events were scored and timed by staff and older students.

Students began training in early September. Each participant could enter two field and two track events.

Everyone was a winner in his events as ribbons were given to all places. Outstanding performances were given by Vurah Runyon who bested all times in the 60 meter dash and by Amanda Ferrell in the 200 meter run.

WELCOME TO NEW STAFF

K.S.B. welcomes the many additions to its staff this fall. The Colonel is introducing you to many of these in this issue.

Two familiar faces are in different roles this year. Chip Brands has switched from houseparent of Huntoon House Up to Mobility Instructor. He works from 12:30 to 7:00 on campus. Chip also works at American Printing House each morning in the recording department. He is now working on the World Book Encyclopedia. Erma Upshaw is now a member of the Housecleaning staff. She works in the Classroom Building. Her cheerful smile is a bright spot in everyone's day. Ginny Edwards from New Albany, Ind., is the new night nurse on campus. She

was graduated from Indiana University. Ginny enjoys Acamping, Imacrame and horseback riding. She also enjoys working with kids and likes her hours on duty (2:00-10:00). See Ginny in the Health Center for stomach aches to toothaches.

Carol Gentry, who is from Centerfield, Ky., is the general clerk typist for Mrs. Wommack, Mrs. Ruf, Miss Gordh and Mrs. Richardson. Crocheting and horseback riding are her hobbies. She received her education at Madison College in Tennessee. She is impressed with the happy atmosphere of K.S.B.

Pamela Hill from Louisville is an elementary aide in Mrs. McMillin's room. Her interests are children, sewing, flower arranging, gardening, cooking, reading and talking. She likes the way K.S.B. encourages the

faculty to use imagination in teaching.

Denise Irvin, a new cook in Food Service, comes from Louisville. Her hobbies are watching television, going to movies and disco. She thinks that the students and staff are easy to get along with and enjoys being here.

Ester Jones, aide in Deaf-Blind, is well acquainted with K.S.B. Her son Kenny graduated from here in 1978. She likes to sew and cook, and she enjoys working with the children.

Liz Magura is the new Recreational Director for Deaf-Blind/Multihandicapped From Cookeville, Tenn., Liz attended Eastern Kentucky University and received her degree in Parks and Recreation Administration. She enjoys camping, racquetball, macrame, swimming and cooking. She thinks the facilities here are great.

Nettie Smith comes from Florida and can be found in Food Service. She enjoys shopping, baking, music and disco. She likes all the students and staff and feels that we have great facilities.

A new teacher in the elementary classes is Suzanne Snyder. She is from Frankfort and was graduated from Transylvania in Lexington. She enjoys reading and swimming and believes that the campus and people are very nice.

The new houseparent in Patten Cottage is no stranger to K.S.B. Pat Wheatley has three sons--Jerry, Ronny and Jeff--who have attended here. She collects old coins and feels that the facilities here are the greatest.

Sarah Kimbell from Rockwood, Tenn. is a cottageparent for Deaf-Blind in Patton Cottage. She enjoys hiking, reading and skiing and attends U of L.

ELEMENTARY CLASSES VISIT SHAKERTOWN

On October 2, all of the elementary classes visited Shakertown and Fort Harrod. Mrs. McMillin's class has prepared this report on the trip.

There are six Shakertowns left--two in Kentucky, two in Massachusetts and two in Virginia. There are nine Shakers living today. The people told us that there are 27 buildings still standing in Pleasant Hill--Shakertown.

The Shakers lived in a four-story house that had 40 rooms. There are two doors in each building. The men entered the right door and the women entered the left door. Shakers put pegs on the wall to hang chairs and lamps so their house could be cleaned easily.

Timmy and Vurah found a burned hole in the wall where they made bread. Jeff, Joe and Larry touched the kettles that they cooked in. Larry, Michelle and Steven liked the winding staircase.

We also learned how the Shakers made barrels, silk, preserves and pills. The Shakers made furniture and invented the broom that we use today. Tina and Anita liked the way the guides dressed up like the Shakers.

The elementary classes also visited Fort Harrod where the pioneers fought the Indians. We liked the holes in the walls of the fort where the pioneers had shot their guns. We enjoyed touching the antique saddles. There was a neat two-story cabin. Our favorite cabin was the one with the furry bear.

We saw the oldest schoolhouse. We walked around the oldest cemetery west of the Allegheny Mountains. When we came back to school, we made log cabins.

IN PURSUIT OF EDUCATION

This year at Kentucky School for the Blind eight students have chosen to further their high school studies by attending selected courses at public schools in addition to their regular classes at K.S.B.

Four seniors are spending half of each school day off-campus. David Raynes is participating in an upholstery class at Ahrens Trade School. Bill Wright is taking REF 110 Elementary Algebra at Jefferson Community College. Bill Gill

is taking a horticulture class at Mill Creek Vocational School where Calvin Ard is taking a course in office services.

Four juniors are also involved in classes at Jefferson County schools. Buster Mayne takes United States history and advanced American literature at Ballard High School. Clinton Applegate takes an advanced course in reading, writing and composition at Waggener High School. Terry Ward studies Industrial Electronics with Clyde Coulter at Ahrens Trade School.

SENIOR SPOTLIGHT

Billy Wright

Billy Wayne Wright from Whitesburg, Kentucky, has attended K.S.B. for eight years.

Billy plans to attend Jefferson Com-

munity College, but he has not decided what he plans to do.

Some of the activities Billy has been involved in are Boy Scouts--eight years, Assistant Scout Master--2 years, wrestling assistant manager--two years, forensics--three years, bowling--1 year, Student Work Program--eight years, Student Council Treasurer--two years, Class of '79 President--two years, Treasurer--three years, Track and wrestling manager--one year, Band--one year, Journalism--two years, Radio Broadcasting--two years.

Billy enjoys camping, hiking and animals. He says that the school has been helpful in preparing him for the future.

The best of luck to you, Billy!

RAH! RAH! RAH!

This summer six of K.S.B.'s students attended the University of Kentucky Cheerleading Clinic from July 9-12. The girls went to the clinic to try to improve their squad. Attending were Maria Davis, Karen Stacy, Mary Hollon, Darlene Runyon, Pennie Winters and Barbara Collier. Mrs. Shirley Mills arranged the trip and went along to encourage the girls in their competition.

K.S.B.'s girls did very well, for their skills earned them the following places--a pair of first place ribbons, a second place ribbon, a third place ribbon and a spirit award. The girls brought home a spirit stick.

Thanksgiving Holiday--November 22-25

NEW STUDENTS IN ALL CLASSES

New students, both residential and day, have joined the student body of K.S.B. this fall.

Amanda Ferrell, day student in Multihandicapped classes, is a five-year-old redhead from Taylorsville in Spencer County.

An exchange student from Japan, Keiji Fujimoto is a day student from Jefferson County. He is a senior.

Angela Howe from Louisville is a day student in Multihandicapped. She is five years old.

Living in Allan Cottage, Malinda Mullins is a Primary student from Letcher County. She is Russell Mullins' sister.

Chris Simmons, a student in Readiness II, is a day student from Jefferson

County.

Mike Skidmore who lives in Huntoon House Up is an elementary student from Kenton County. He lives in Erlanger.

Denise Smith from Glasgow has returned to K.S.B. after several years in public school. She is in the eighth grade and lives in Merwin Hall.

David Stassen, a student in Mrs. Howser's sixth grade, is a day student from Jefferson County.

Andre White, a freshman from Christian County, lives in Huntoon Down. Andre enjoys K.S.B. and looks forward to wrestling.

Sandra Williams, a freshman from Jefferson County, enjoys reading, singing and writing. She is 15 years old and is a day student.

Sharon Williams is a day student from

Jefferson County and enjoys singing. She is in the seventh grade.

Returning to K.S.B. after a short absence is Shirley Bell, an eighth grader from Marion County.

Also returning is Mark Taylor, a sixth grader from Hopkins County. Mark is 13 years old and lives in Huntoon Up.

FROM THE PRINCIPAL'S DESK

This school year is quickly passing already. It was a pleasure to welcome our returning and new students at the beginning of the school year. As of this time, we have 130 students enrolled. The breakdown is as follows: Fifth-year students--2, Seniors--7, Juniors--11, Sophomores--7, Freshmen--12, 8th Grade--13, 7th Grade--3, 6th Grade--8, Elementary--22, Primary --15,

Readiness--10, Multihandicapped/Deaf-
Blind--19. From the high school we
have 7 students who are going on a
half-day basis, taking either academic
or vocational courses. Our staff at
the Kentucky School for the Blind is
doing an excellent job in providing an
atmosphere of learning, continuing to
corporate many new teaching devices,
such as the optacon and Visualtek.

I am, also, pleased with the atti-
tude of students this year as they are
becoming involved in the educational
process. I wish all a very good
academic year, as well as success in
our athletic events.

GIRL SCOUT NEWS

Members of K.S.B.'s 1979-80 Girl Scout troop are Mary Ann Link, Patty Kramer, Missy Evans, Debbie Kuczwara, Vurah Runyon, Michelle Broaddus, Wanda Gamble, Tina Shelton, Dawn Hardman and Anita Mattingly.

Assistant Scout Leader is Joyce Gerwin, a Senior Scout from Waggener High School. Mrs. Cathy Johnson is in her first year as the troop's leader.

The girls will be camping November 16 and 17 at Camp Stem. Work on group and individual badges will be the main goal for the troop this year.

BASEBALL, HOT DOGS, APPLE PIE AND
DEMOCRACY

by

Sandra Williams

Baseball was introduced by Abner Doubleday in 1839. It soon became a favorite sport for children and adults to play. The Little League was formed for younger generations and, of course, there are all sorts of leagues and teams for the older ones.

Most everyone will agree that watching baseball without food would be rather boring, but an All-American food with an All-American sport will be very much enjoyed. Do you know what I am thinking about? That's right, the hot dog!

Hot dogs are one of America's favorite foods. They can be eaten in several different ways. You can eat them plain, on a bun, in a casserole, but the best way is roasted over an open fire.

Just as baseball and hot dogs are

All-American foods, so is apple pie. At almost every Sunday dinner or when company comes, the dessert is more often than not apple pie. In the 1800's when Jonathan Chapman introduced the apple to the American settlers, they grew in such abundance that I guess people could not think of anything else to do with their apples, so someone made a pie. Apparently, it turned out well because now it is an American tradition. Almost everyone loves it.

There are many more American foods, games and traditions that I could name. More importantly is the American form of government.

The U.S.A. is a country that is blessed with the privilege of having a democracy as its form of government. We can vote on the things we think will benefit us where as in other countries

decisions are made for people by one person or a few people.

These four things are important to almost every American. Our foods, our games and our form of government. New American traditions are growing daily.

WORD "SPELL"

One day Wendy the Witch decided that she was going to change some things she had around her house into animals. Can you help her cast her spell? Change one letter at a time to get a new word.

CART--You send one to wish someone a happy birthday. ----

BIRD--A singer and poet from the days of kings and castles. ----

DESK--Thin, circular object; a record.

FISH--Something you eat out of.

DOMESTIC--Ten cents.

MICE--To act out, without speaking.

BOOK--You wear one on your foot in the snow and rain.

GOAT--You ride on this in the water.

HAPPY HALLOWEEN!

SCIENCE FIELD TRIPS

On September 18 the science, math and social studies classes attended a Math-Science Exhibit at Western University. Western University is located in Bowling Green. Miss Burns and Mr. Howard took the 18 students to view the exhibits. The demonstration of the electric microscope was the best exhibit, according to the students.

The ninth grade science class went to the Weather Station at Standiford Field on September 29. They saw how the weather is predicted and were told that this weather will not be very bad. (Cross your fingers!)

* *

PRIMARY ACTIVITIES

The Primary Class has been very busy this nine weeks. They have studied the telephone by viewing a film on "Tele-zonia," practicing dialing and making telephone booklets.

A September field trip to Huber's Orchard was exciting for everyone. The group rode the school bus to the "Pumpkin Patch" to select a pumpkin. They enjoyed their own sandwiches, delicious apples and cider.

Halloween Day found the class in bright costumes for a parade and party. Lynne Mays was "Prettiest; Chris Simmons, "Funniest"; Patty Slutz, "Ugliest" and Howard Stinson, "Best Homemade."

Mrs. Welsh's son, Joseph Brendan, is crawling now. He was born on May 10 and we're glad she is back in our class.

SENIOR SPOTLIGHT

David Raynes

David has been at K.S.B. for eleven years. He has participated in many activities...Work Program for 5 years, Off-campus studies for 2 years, Boy Scouts for 1 year, Class secretary for 2 years, Chorus for 2 years, Band for 3 years, Radio station for 3 years, Track for 1 year, Wrestling for 4 years, Swimming for 8 years, Journalism for 3 years, Title IX for 2 years, Student Council for 2 years, Red Cross for 1 year.

As a fifth year student, David is studying upholstery at Ahrens Trade School. He enjoys working on old cars and all types of sports. He likes to take things apart to see how they work.

"I am going to miss the school, but I am ready for changes," said David.

'79 TRACK TEAMS ARE WINNERS

Twenty-one boys and nine girls took part in track activities for the 1979 season.

Track was again very successful this year for K.S.B. The boys took first places in meets with Indiana and Ohio. They went on to win the N.C.A.S. V.H. for a second straight year. The girls were also very successful. The young team took third in Class B in the N.C. tournament.

Boys participating in track were (* indicates participation in the N.C.A.S.V.H.) Clinton Applegate*, Calvin Ard*, Ricky Bramblett, Mike Breeden, Kevin Cobb, Clyde Coulter*, Ronnie Deaton*, David Greer*, Austin Prater, Ricky Beavers*, Dwayne Moore,

Russell Mullins, Buster Mayne*, David Raynes*, Terry Ward*, Jeff Wheatley, Bill Gill*, Claude Neace, Kevin Pearl, John Hoskins and Bill Wright, Manager

All girls participating in track attended the N.C. Meet. They are Shirley Bell, Maria Davis, Mary Hollon, Judy Keller, Crystal Rayborn, Darlene Runyon, Karen Stacy, Denise Smith, Pennie Winters.

Track coaches are Mr. Larry Mann and Mrs. Shirley Mills.

CLOSING COMMENT

The print issue of the Kentucky Colonel has come to you by means of a new large print electric typewriter. We like our new look and hope you found it readable. Any contributions to the December issue should be in Room 306 by December 10.

Coach Mann notes that Kentucky boys scored in 14 of the 16 contested track and field events. Nine of its ten team members scored at least one point. Kentucky holds the record for the most team points ever scored by a team (155 points--1978). Kentucky boys have been overall team champions for the past two years and for the past three of four years.

Congratulations to all team members and coaches for a job well done!

WRESTLING SIGN-UPS

All students interested in competing in wrestling activities this year will meet for sign-ups on November 1 in Langan Gym.
